Tee-times will not be taken during the off-season (November 1-March 31); play will go off on a first come first served basis.

 - v. Throwing golf clubs is considered a breach of etiquette as well as a potentially hazardous situation.
 - vi. In the interest of all, players should play without delay.
 - vii. Slower groups must allow faster groups to play through when there is a clear hole ahead or it is seen that once through they will not hold up the group played through.
 - viii. A shot should not be hit until there is no question the group in front is out of range.
 - ix. Be aware of groups following you when searching for a lost ball.

6. Practice Facilities

1. The driving range is for use by members that either have paid a season range fee or signed a charge ticket for hourly use. It is the member's responsibility to come to the Golf Shop and sign a charge ticket. The use of the driving range without paying may result in the loss of range privileges at the discretion of the Board of Directors.
2. The driving range will be open when the Golf Shop opens and close at dusk. On Sunday the driving range will close 2 ½ hours before dark in order to pick up all range balls for mowing on Monday.
3. Range balls are restricted for use anywhere on club property other than the driving range. They may not be taken off club property or be used for play on the golf course.

3. Members who have been granted a medical dispensation will be given a flag to put on their carts which will allow them to drive within 10 feet of tees and greens. This does not allow them to drive on the golf course when weather prohibits such. Good judgment must still be used when operating a golf cart as to not damage the golf course.
4. Cart paths are to be used whenever possible. The less cart traffic on the turf grasses the better the playing conditions of the golf course.
5. The Grounds and Greens Committee strongly encourages that no more carts go out in each group than is absolutely necessary. This means that you may have to pair up on carts (i.e., 3-somes=2 carts, 5-somes=3 carts).
6. A sign will be posted on #1 and #10 tees designating the cart traffic rules for that day. Adherence to these signs is mandatory.

If the member elects not to accompany said guests while playing, the unaccompanied guest rate will apply.
3. Members of other private golf clubs may be permitted to play on the course, upon payment of the established green fees, if such other private club offers the same reciprocal privileges to members of Sedalia C.C.
4. Non-resident members may not bring a guest from Pettis County or from their county of residence.
5. The Board of Directors may approve, on a case-by-case basis, use of the golf course for tournaments or golf functions, which would be billed to and paid for by a member.
6. Any member bringing a guest to play must sign a charge ticket prior to playing. Any member bringing a guest to play on a day the Golf Shop is closed must sign a charge ticket either the day before or the day after they play. Unreported guest play may result in the loss of playing privileges at the discretion of the Board of Directors.
