2018 Golf Calendar

The 2016 Golf calendar is nearing completion. If your organization is thinking of holding a golf tournament as a fund raiser and would like to hold it at Sedalia C.C., please contact Jaron before January 31 to make arrangements. Completed calendars will be made available to members in Early March and may be picked up in the golf shop. There will also be a digital copy on the website.

2018 Locker Rental & Club Storage

If you are tired of transporting your golf clubs back and forth, and would like them to be clean every time you play, then club storage at SCC is for you. For \$75 per year we will keep your clubs in a climate controlled secure environment.

They will be available to you whenever you make a tee-time or come out for some practice. To enhance the club experience a locker in the locker-room is a great place to keep your golf shoes, balls, extra gloves, and any personal items you may need. We have full and half lockers available. Please call the golf shop for details.

2017 Hole in One Pool

As many of you may or may not know there is a tradition among golfers that is an “unofficial” rule. If a golfer is lucky enough to strike the ball well enough, or bad enough, they will celebrate properly after the round is over. That celebration includes buying a round of drinks at the bar at that golf club. This unofficial rule is almost always followed. Participation in this pool will be voluntary and is limited to active members in good standing. The entry fee is \$5 (to be paid to the golf shop before March 31st). If a participating member records a hole-in one during the golf season (must be witnessed by another member), they shall receive the pool money. The money will be divided between 50% pro shop credit and 50% bar credit (cash). When the pool money is paid out, the pro shop will create a new pool.

2018 Cabin Fever
