The Sedalia Country Club is a family-oriented, private community established by a few distinguished Sedalia residents in 1906. The club's rich traditions of excellence, respectfulness, and integrity surround family and community, and we strive to offer the best services and amenities for our members and guests. The challenging golf course, family-friendly pool, and excellent dining facilities are sure to enrich family experiences and treasured friendships for a lifetime of pleasure and cherished memories. Members enjoy both the setting and community of the Sedalia Country Club no matter the occasion.

## **Mission Statement**

Since 1906, the mission of the Sedalia Country Club has been to provide a high quality golf and social experience for our members, their families, and guests. By providing the best services, amenities, and staff, Sedalia Country Club creates a fun, family-friendly environment.

## **History**

In 1903, the Missouri State Fair Board gave a small group of Sedalia residents the right to build a golf course on the Missouri State Fairgrounds. Nearly two years later, June 3, 1905, the Sedalia Country Club was formed. There were 67 regular members admitted into the Club.

The next year, the Club purchased a block of ground adjoining the Missouri State Fairgrounds on the east and facing Limit Avenue. On March 22, 1906, the Sedalia Country Club became a corporation. A club house was built at a cost of \$4,200, and opened in June 1906. By then, the regular membership had grown to 88.

In 1907, sixty additional acres were purchased and a nine hole golf course was laid out.

While the Club upheld its high standards as a golf club, it was the scene for many social functions, outstanding parties for the members and entertaining honored guests, such as the formal reception and dinner given in honor of President Taft in 1911.

Over the years, the club was remodeled and redecorated several times, adding locker and shower rooms, golf shop, and the construction of a swimming pool.

On May 4, 1977, a massive tornado ripped through Sedalia and destroyed the club house, swimming pool, tennis courts, and other club facilities. In the months that followed, many proposals were offered for the future of the Sedalia Country Club. In July, the membership voted to purchase the Walnut Hills Country Club, and the two clubs merged in the Walnut Hills neighborhood just west of Sedalia on August 22, 1977.

At the time, the Club included the clubhouse, Surf Club, tennis courts, and golf course.

Many renovations have been made at the Club over the years including the restructuring of the pool, the addition of new kitchen facilities, enlarging the dining area, redesigning the golf course, and adding a large, patio area.

One of the more interesting aspects of the Sedalia Country Club is the presence of a small graveyard on the golf course, which has burial markers with dates prior to the Civil War. Located in the rough between the 10<sup>th</sup>, 11<sup>th</sup>, and 18<sup>th</sup> holes, the Shobe-Jamison-Quisenberry Cemetery is the final resting place of members of some of Pettis County's oldest families that were buried between 1859 and 1921.

## Hours of Operation

The Sedalia Country Club is open to its members Tuesday through Sunday and closed on Monday. The office is open Tuesday through Friday 8:30 AM to 5:30 PM.

Becky McGinnis is the Clubhouse Manager. Becky oversees the Clubhouse and Surf Club. She has been with the Club since 2011, and knows the Club like the back of her hand. She can assist you with any questions or problems you may have.

## Attire

While the Club has no specific dress code other than for the golf course and staff, please use your best judgement in your attire.

## Minimums

Each membership classification has a required dining minimum that must be spent each month. Members spending dates are as follows:

- A through F** ..... 11<sup>th</sup> through 10<sup>th</sup>
- G through N** ..... 18<sup>th</sup> through 17<sup>th</sup>
- O through Z**..... 25<sup>th</sup> through the 24<sup>th</sup>

*The first date is when the minimums will start and the second date is when the cycle ends the following month.*

## Guests

Guests are almost always welcome to the Club House as long as they are accompanied by a member or meeting with a member of our staff. A dining guest's bill may be applied

against the member's monthly minimum spending. Please note that other areas of SCC have different guest policies.

## Dining

The Sedalia Country Club has numerous options available for dining and drinks, including a scenic upstairs lounge, formal and casual dining rooms, private dining room, and patio. Menus change through the seasons, and a kid's menu is always available.

Lunch is served from 11 am to 2 pm, and dinner is served from 6 pm to 9 pm. Reservations are requested for all dining services. To make a reservation, call (660)826-2044.

Most food purchases count toward the monthly minimum. The only exceptions are carryout orders and beverages which do not count against the minimum. A 10 percent gratuity is added to menu prices for your server, as well as a 5 percent house cover.

## Bar

Other great assets for SCC are the upper and lower bars. Whether you want to enjoy a few drinks with friends or grab an "adult" refreshment on a hot day of golf, the bar has you covered! The lower bar is opened from 11 am to 6 pm. The upper bar opens at 6 pm and closes when the last member leaves.

## Board of Directors

The operation of the entire club organization is managed by an elected Board of Directors, made up entirely of club members. Each Board Member oversees a different aspect of SCC. The Board of Directors meets once a month to discuss issues and happenings around the club. Current Board members are:

**President**, Travis Ross

**Vice President**, Stuart Braverman

**Treasurer**, David Albrecht

**Secretary**, David Floyd
