ABOUT US

The Sedalia Country Club is a private, member-owned golf club located in Sedalia, Missouri. SCC is located on a beautiful 143 acres away from the town's hustle and bustle.

SCC was originally located on South Limit, but a tornado destroyed the clubhouse and course. SCC moved to its current location in 1977.

Today members are sure to enjoy their time here with our many amenities, including: an 18-hole course, restaurant, bar, and private swimming pool.

Apart from golf and golf outings, SCC hosts many events including Family Game Night, Men's Stag, and Dueling Pianos, to name a few.
