Sedalia Country Club

The Sedalia Country Club is a family-oriented, private community established by a few distinguished Sedalia residents in 1906. The club's rich traditions of excellence, respectfulness, and integrity surround family and community, and we strive to offer the best services and amenities for our members and guests. The challenging golf course, family-friendly pool, and excellent dining facilities are sure to enrich family experiences and treasured friendships for a lifetime of pleasure and cherished memories. Members are sure to enjoy both the setting and community of the Sedalia Country Club no matter the occasion.

Mission Statement

Since 1906, the mission of the Sedalia Country Club has been to provide a high quality golf and social experience for our members, their families, and guests. By providing the best services, amenities, and staff, Sedalia Country Club creates a fun, family-friendly environment.

History

In the year of 1903, the State Fair Board gave certain Sedalia residents the right to build a golf course on the Missouri State Fair Grounds. Nearly two years later, June 3, 1905, the Sedalia Country Club was formed. There were 67 regular members admitted into the Club.

The next year, the Club purchased a block of ground adjoining the Missouri State Fair Grounds on the east and facing Limit Avenue. On March 22, 1906, the Sedalia Country Club became a corporation. A club house was built costing \$4,200, which was completed and opened in June 1906. By then, the regular membership grew to 88.

In 1907, sixty acres were purchased and a nine hole golf course was laid out.

While the Club upheld its high standards as a golf club, it was the scene for many social functions, outstanding parties for the members and entertaining honored guests, such as the formal reception and dinner given in honor of President Taft in 1911.

Since 1909, the old club was remodeled and redecorated several times, adding locker and shower rooms, golf shop, and the building of a swimming pool.

A tornado on May 4, 1977 destroyed the club house, swimming pool, tennis courts, and other club facilities that were located on South Limit Avenue. In the months following the tornado, many proposals were given as to the outcome of what would happen to Sedalia Country Club. In July, the proposal of the purchase of Walnut Hills Country Club was passed.

On August 22, 1977, the Sedalia Country Club purchased Walnut Hills Country Club, which included the Surf Club, tennis courts, and golf course. Many renovations have been made

during the years such as the restructuring of the pool, an addition of new kitchen facilities, enlarging the dining area, and redesigning the course.

One of the more interesting aspects of the Sedalia Country Club is the presence of a small graveyard which has burial markers with dates before the Civil War. Considered in the rough between the 10th, 11th, and 18th fairways, the Shobe-Jamison-Quisenberry Cemetery is the final resting place of members of some of Pettis County's oldest families that were buried there between 1859 and 1921.

Club House

The club house was built as a part of the Walnut Hills Country Club and was part of the SCC purchase of Walnut Hills Country Club in 1977. Since 1977, many renovations have been made. Our members enjoy the finest indoor and outdoor dining facilities, meeting, social, game and lounge areas: outstanding culinary experiences from our Chef including classic recipes and dishes in the finest Sedalia tradition: and all the amenities of a world-class Country Club.

Hours and Contact Information

To get a hold of anyone in the SCC office, call (660)826-2044. The office can answer most of your questions and is always happy to help. For the questions the office cannot answer, we would be glad to direct your call to someone that can. "Like" the Sedalia Country Club Facebook page for updates, pictures, and events. You can also find the Sedalia Country Club on Instagram, Pinterest, and YouTube.

Attire

Country club casual attire is preferred; however, proper denim is allowed. Clothes should be neat in appearance and shirt tails should be tucked in. Please, no short shorts, cargo shorts or pants, cut offs, gym shorts, halter tops, or frayed clothing.

Minimums

Each membership classification has a required dining minimum that must be spent each month. Members spending dates are as follows:

A through F	11 th through 10 th
G through N	18 th through 17 th
O through Z	25 th through the 24 th

The first date is when the minimums will start and the second date is when the cycle ends the following month.

Please refer to the membership pricing page, for more minimum and membership information.

Guests

Guests are always welcome to the Club House as long as they are accompanied by a member. A dining guest's bill may be applied against the member's monthly minimum. Please note that other areas of SCC, such as the Surf Club, have different guest policies.

Dining

The Sedalia Country Club has an exceptional dining room where all meals are served. SCC offers a wide variety of food choices ranging from delectable plated meals to special buffets. We guarantee your taste buds will be satisfied. We also offer a kid's menu.

Lunch is served from 11 am to 2 pm, and dinner is served from 6 pm to 9 pm. Reservations are requested for all dining services. To make a reservation, call the office at (660)826-2044. Leave a message if no answer, and someone will get back to you as soon as possible.

Most food purchases count against the monthly minimum. The only food exception is carryout which does not count against the minimum. Beverages do not count against this minimum, either. Also, a 10 percent gratuity is added to the menu prices for your server, as well as a 5 percent house cover.

Bar

Another great asset to SCC is the upper and lower bars. Whether you want to enjoy a few drinks with friends or grab an “adult” refreshment on a hot day of golf, the bar has you covered! Every Friday is Happy Hour from 5:00 pm to 6:30 pm. During Happy Hour, you can enjoy two drinks for the price of one! The upper bar is open late, so stop on by.

Board of Directors

The Board of Directors is a committee of SCC members appointed by the SCC Regular Members. Each Board Member is in charge of or oversees different aspects of SCC. The Board of Directors meets once a month to discuss issues and happenings around the club.
